# PRELIMS CONQUER TEST SERIES 2026 - 27

*D'code IAS Academy | We Simplify IAS Journey*

## 1. About the Program

The **Prelims Conquer Test Series 2026-27 by D'code IAS Academy** is a structured, week-by-week test programme designed to prepare aspirants for the UPSC Civil Services Preliminary Examination. It is mentored by **Sudhagaran Sir** (*Former Mission Director of Naan Mudhalvan*).

Programme starts with subject-wise tests that are integrated with fortnightly current affairs, moves on to full-length revision tests, and closes with three mock tests (General Studies in the morning, CSAT in the afternoon). A parallel CSAT track builds aptitude topic by topic and then moves to full-length CSAT tests. Every test is built to UPSC standard and followed by a detailed analysis with an explanation PDF.

## 2. Test Structure and Distribution

| STAGE | TESTS | WHAT IS COVERED |
|---|---|---|
| GS Topic-wise Tests | Test 1 - 17 | Polity, Geography, History, Economy, Environment, Science & Tech, International Relations and Schemes, each combined with fortnightly current affairs |
| GS Full Length Revision Tests | Test 18 - 23 | Subject wise coverage of each subject for every week revision with integrated current affairs |
| Online Full Mock Test | Test 25 & 27 | Online assessment tests to check your preparation and track your progress between mock tests |
| GS Mock Tests | Test 24,26,28 | Mock Tests 1 - 3: General Studies (morning) and CSAT (afternoon) |
| CSAT Topic-wise Tests | CSAT 1 - 10 | Quantitative aptitude, reasoning and number-based topics, taken up topic by topic |
| CSAT Full Length Tests | CSAT 11 - 15 | Full-length CSAT papers |

## 3. Key Features

1. **Daily Direction Class** — A short daily class that sets your focus and direction for the day.
2. **Daily Micro Test** — A quick daily test to check what you learned and keep revision regular.
3. **UPSC Standard Questions** — Questions set at the difficulty and pattern of the real Prelims paper.
4. **Theme Analysis with PYQ in Classes** — Topics taught theme by theme, with PYQs showing how UPSC asks them.
5. **Special Focus to 2026 PYQ** — Topics taught theme by theme, with PYQs showing the latest trends.
6. **Integrated Current Affairs Classes** — Extra attention to the 2026 paper to understand the best to go together.
7. **Detailed Post Test Analysis with Explanation PDF** — After every test, get a detailed analysis and an explanation PDF to learn from each mistake and improve.

# Excerpts from Toppers' Interviews under The Guidance of Sudhagaran Sir

**Rajeshwari Suve (AIR 2)**

"Under the guidance of Sudhagaran Sir, I navigated every stage of my UPSC journey, including Prelims, Mains, and the Interview."

**Mr. Gunasekaran N (AIR 594)**

"Sudhagaran Sir identified the strengths and weaknesses of each and every student under the NM scheme. He has been consistently guiding aspirants in this manner, which is a remarkable contribution. His level of personal attention and support is reflected in the significant achievements of Tamil Nadu students in UPSC 2025."

**Mr. Aruljothi R (AIR 723)**

"Sudhagaran Sir personally helped and guided me. Whenever I approached him for advice, he was very supportive."

**Mr. Subramania Bharathi (AIR 778)**

"Sudhagaran Sir helped me demystify the examination and instilled in me the confidence that, with the right direction, consistent effort, and adequate practice, anyone can clear it."

**Nishant (AIR 821)**

"Sudhagaran Sir's brainstorming sessions helped me a lot. Throughout my UPSC journey, Sudhagaran Sir was a tremendous pillar of support for me."
